JUNE 2014

712-324-4651

Sheldon will be a ride through/support stop for RAGBRAI riders this year. They will be in town on July 20, 2014. Most of the riders and support vehicles will be coming through in the am hours. This event will need lots of volunteers. If you are interested in volunteering with events for that day, or have questions, please contact the SCDC office at 712-324-2813.

Watch Out Please

Now that school is out and the summer activities are starting, please watch for children. There are many activities to which children are going to and from at different times of the day. Sometimes children get side tracked, and may not do their best to look both ways. Please slow down this summer and use caution for them.

Also, a busy area is the East Elementary Ball Fields on East 4th Street. If you can avoid this area between 9 a.m. and Noon, Monday through Thursday, that may help with the traffic congestion.

Pool memberships need to be purchased at the Pool. Rate information can be found on our website under the Outdoor Aquatic Center Page.

IS YOUR UTILITY BILL HIGHER THAN USUAL?

When we read meters each month, we try to contact customers that may have higher than normal water usage. We do this in an attempt to make sure you don't have a leak going unnoticed. However, more people are going away from land line phone numbers, or making their number unlisted. If this is the case, please contact our office with your phone number in case we need to contact you. Thank you.
