IS YOUR BILL HIGHER THAN USUAL?

When we read meters each month, we try to contact customers that may have higher than normal water usage. We do this in an attempt to make sure you don't have a leak going unnoticed. However, more people are going away from land line phone numbers, or making their numbers unlisted. If this is the case, please contact our office with your phone number in case we need to contact you. Thank you.

UTILITY PAYMENTS

When you are paying your bill, it is important to include your stub from your utility bill. This will ensure that your payment gets applied correctly. If you pay through your bank (your bank physically mails a check) please make sure the correct account number is on the check. Thank you.

Need to Reserve a Facility?

Do you need to reserve the City Shelter House or a room in the Sheldon Community Services Center? It's easier than ever. You can reserve these facilities online. Go to www.sheldoniowa.com, click on City Services, click on the facility you wish to reserve and click on reserve. This will take you to the Active Network and submit your request to reserve that facility. Once we received your request and confirm there are no conflicts, you will receive an email confirming your reservation and you will be required to pay at that point. Please call us at 712-324-4651, if you have any questions about either facility.
