SHOP WITH A COP

The Sheldon Police Department is asking for free will donations from businesses and residents of the Sheldon community to help with a program called "Shop with a Cop" that helps buy clothing for children with the greatest need in our community. We will be partnering with LOVE Inc. again this year, for the program. And LOVE Inc. will select the families with the greatest need to participate in the event. Each child will be paired

with a volunteer and will be taken to Shopko, where they will be allowed to purchase clothing, shoes and other "back to school" items. Last year the program was able to help 72 children in the community and, due to the unsettled times with the economy, we expect the number of families to grow this year. Any amount will be greatly appreciated. If someone would like to make a donation, cash or a check is acceptable. If

by check, please make payable to "Shop with a Cop" and either drop off the check or cash at the Sheldon Police Department or the Sheldon City Office, and let them know that it is for this community project. All donations need to be received by June 15th, 2014 so we have enough time to select the recipients and line up the volunteers.

Thank you! Sheldon Police Department
